Donations in Kind 600th Container Sponsorship

The supply of medical equipment and consumables is often the most cost-effective way to support two of the Rotary Foundation's Areas of Focus: Improving Patient Care and Saving Mothers and Children.

The 600th container this century will improve patient care in the Solomon Islands. You can be a partner in this great project by sponsoring the items. Helping to fund a container like this is one of the easiest and most cost-effective International Projects for your Rotary club.

You can choose to support the Total Shipment or the National Referral Hospital, the Dental Clinic or Wheelchairs for Kids or a specific item.

You can send a cheque; transfer the funds to Donations in Kind:

BSB 633 108, Account No 1434 96529

For tax deductibility go to the RAWCS website, [CLICK TO DONATE](#)

Details: Project No 32 Year 2014-15 nominate 600th container and your Club.

You can sponsor an item from as little as \$3 and improve patient care in the Solomon Islands.
