

Stationery Appeal

The educational aisle provides class kits & readers for all Club projects. We need Club's help please to restock depleted supplies.

- Connect with your local school to invite donations of end term/year, unused stationery items and primary level readers from both students and the library.
- Purchase school consumables when they are on special.

Exercise Books
Grey lead pencils
Colouring Pencils
Sharpeners
Children's scissors
Rulers
Erasers
Primary & Infant Readers

A "resident librarian" from the aisle at DIK would be delighted to visit your Club.

We have stories to share of Club/ DIK connections with the recipients of donations, the incredible difference that they have made and how your Club can assist.
