

School Stationery Recycling Project

What are students going to do with the items no longer needed at the end of the year?

End of year, unused stationery items will help children in countries much less fortunate than ours achieve a better education.

Recycling your surplus school items also benefits the environment, which is a great alternative to landfill. Collect donations and Rotarians will pave the way for them to be delivered to disadvantaged schools in our Pacific neighbouring countries, Asia and Africa.

Exercise Books
Grey lead pencils
Colouring Pencils
Sharpeners
Children's scissors
Rulers
Erasers
Primary & Infant Readers
